

What is a pandemic?

Date: _____

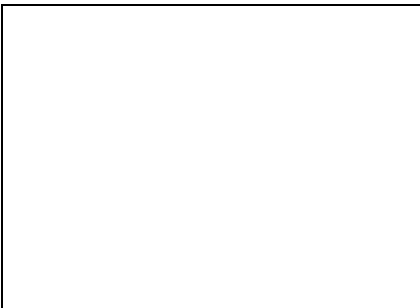

A pandemic is an epidemic of an **infectious disease** that has spread across a large region, for instance multiple continents or worldwide.

I. What do you know about the SARS-COV-2 (Covid-19)? Answer the following questions using the world map and the suggested color patterns:

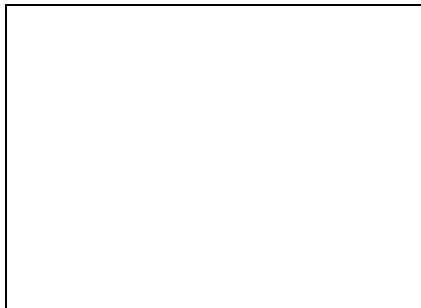

1. Where did COVID-19 come from? Where is Wuhan? (RED)
2. Which country do you live in? (GREEN)
3. Which other countries in the world can you identify where the virus has spread? (YELLOW)

II. What do you think the virus looks like? Make a drawing and color it.

III. Draw your own picture of the world after the COVID-19 pandemic?
